

Name **Tamila**

Surname **Chaladze**

Address Tamarashvili St. 6, 0179, Tbilisi, Georgia

E-mail chaladzetamila@gmail.com

Research papers

Salukvadze E., Chaladze T. The peculiarities in the development and changes in the subtropical agricultural landscapes (in western Georgia). *IAR Journal of Agriculture Research and Life Sciences/2021/ # 2(1)*. pp. 112-120. ISSN Print: 2708-5090 | ISSN Online: 2708-5104

Salukvadze E., Chaladze T., Gogidze K. The Natural Resources Potential and Exploitation Peculiarities of Mountainous Regions (on the example of Lower Racha). Online journal, *Georgian Geographical Journal*, 2021, # 1(1) pp. 42-53. ISSN 2667-9701. <https://doi.org/10.52340/ggj.2021.258>

Salukvadze E., Chaladze T. Davit Ukleba's Cartographic Works in Physical Geography (Review). TSU publishing/Scientific conference Actual problems of Geography, Dedicated to Prof. Davit Ukleba's 100th anniversary/ Tbilisi. 2019/ (5-6. 11), pp. 178-182. ISBN 978-9941-13-885-0

Salukvadze E., Chaladze T. Natural Resourceful Potential of Imereti Landscapes. TSU publishing, Proceedings of Scientific conference Actual problems of Geography, Dedicated to Prof. Davit Ukleba's 100th anniversary. Tbilisi. 2019, 108-113. ISBN 978-9941-13-885-0

Salukvadze E., Chaladze T. Anthropogenic Factors Contributing to the Ecological Condition of Landscapes in the Mining Zones of Imereti and Racha. TSU publishing, Proceedings International scientific conference: Actual Problems of Landscape sciences, Environment Society, Politics, 2019 (9-13. 09) Tbilisi, pp. 66-72. ISBN 978-9941-13-868-3

Salukvadze E., Khardziani T., Chaladze T., Gogidze K. Main Natural - Geographical Factors of Zemo Imereti Nature Management. Published by I.E. Mariam Iobadze, Kutaisi. Works of Alexandre Javakhishvili Geographical Society of Georgia, 2018, New Series #1 (19), pp. 190-202. ISSN 2587-5450

Salukvadze E., Chaladze T. Features of the ecological state of landscapes of Imereti. Istoki, Materials of the international XIII landscape conference, dedicated 100th anniversary of F.N. Milkov, 2018, Volume 1. Voronezh, pp. 423-425. ISBN 978- 5-4473-0191-0. UDK 911. 52 BBK 26.82

Chaladze T., Lomidze N. Transformation of Alazani floodplain forest Landscapes Present-day Condition and peculiarities of its Development. Aleksandre Javakhishvili Geographical Society of Georgia. Proceedings of Conferences, 2018. pp. 118-127

N. Kvirkvelia, M. Tsitsagi, M. Gugeshashvili, T. Chaladze. Terrain Morphometric Analysis for Support Tourism Development in Tusheti Protected Area. Cambridge Scholars Publishing, UK. Contemporary Studies in Environment and Tourism, 2017, pp. 427-434. ISBN: 1-4438-7283-0

Khazaradze R., Kharadze K., Chaladze T. Variability of Paleoclimate and Geographical environment on the Territory of Eastern Georgia in the Holocene. Publishing House Technical University, Science and Technologies, 2017, #2 (725), pp. 69-75. ISSN: 0130-7061 Index 76127

Salukvadze E., Chaladze T., Khardziani T., Gogidze K. Presents Landscapes and Their Ecological States in the Ore Mining of Chiatura. International journal Earth Sciences, 2017, Vol. X, No.6 (5-1), pp. 8-16. ISSN: 2328-5974 (Print), ISSN: 2328-5982 (Online), DOI 10.11648/j.earth.s.2017.060501.12

N. Lomidze, N. Suknidze, D. Mumladze, T. Chaladze, G. Kavlashvili. Trend of winter surface air temperature over Georgia since 1940. Sophia, Bulgaria. *Journal of Balkan Ecology*, 2017 Vol.20, No2, pp.117-134. ISSN 1311-0527

Salukvadze E., Chaladze T. The Impact of Natural and Anthropogenic factors to ecologic situation of Landscapes Mountain Regions of Georgia. Proceedings of the Azerbaijan Geographical Society, 2016, # 1, pp. 44-49. ISBN 978 9952-8032-5-9

Salukvadze E., Chaladze T. Landscapes of Critical Ecoregions – Issues and Modern conditions. Salukvadze E., Chaladze T. TSU. Publishing, Proceedings of the International Conference Modern Problems of Geography and Anthropology. Dedicated to the 140th Birthday Anniversary of Academician Alexandre Javakhishvili, 2015, pp. 123-128. ISBN 978 -9941-13-457-9

Salukvadze E., Chaladze T. Transformation Landscapes of Georgia and their Ecological Situation (General characteristic and Analysis). LAMBERT Academic Publishing, Saarbrücken, Germany, 2014, p. 181. ISBN 978-3-659-61774-4

- Salukvadze E., Chaladze T. Specificities of Forming and Modern Changes in Agricultural Landscapes of Humid Subtropics. TSU publishing, Collected papers of the Vakhushthi Bagrationi Institute of Geography, 2014, New Series # 6 (85) pp. 94-104. ISBN 978 9952-8032-5-12
- Salukvadze E., Chaladze T., Kheshikashvili N. Anthropogenic Transformation and Ecological Situation of Kvemo Imereti Landscapes (Case study Tskaltubo Municipality). Published by Press TSU, Collected papers # 5 (84), New Series Vakhushthi Bagrationi Institute of Geography. Modern Problems of Geography. Proceedings of the Conference Dedicated to the 80th Birthday Anniversary Since the Foundation of Vakhushthi Bagrationi Institute of Geography, 2013, pp. 140-143. ISBN 978 9952-8032-5-13
- Salukvadze E., Chaladze T. Anthropogenic Transformation of Landscapes of Eastern Georgia and the Current Ecological Situation. Scientific Annals of Alexandru Ioann Cuza. University of Iasi, Vol. LIX, s. I-s, Geography series. Romania, 2013, pp. 79-94. ISBN 978 9952-8032-5-14
- Salukvadze E., Chaladze T., Tsikarishvili K., Archvadze N. Peculiarities of development of arid landscapes of Eastern Georgia (on the example of Dedoplistskaro municipality). Technical University, Science and Culture a popular scientific collection, 2013, Vol. II, pp. 64-68. ISBN 978 9952-8032-5-15
- Salukvadze E., Mumladze D., Chaladze T., Lomidze N., Khechikashvili M., Chikhradze N., Janelidze Z. Tbilisi's climatic-landscape peculiarities and its dynamics. Lucknow, India. The Journal of Environmental Biology, 2012, # 33, pp. 521-524. ISBN 978 9952-8032-5-16
- Salukvadze E., Chaladze T., Lominadze G., Khechikashvili M. Environment Transformation and Ecological Peculiarities of the Guria Region. TSU publishing, Collected papers of Vakhushthi Bagrationi Institute of Geography, 2012, New Series # 4 (83), pp. 102-119. ISBN 978 9952-8032-5-17
- Chaladze T., Salukvadze E., Beroshvili D. The ecological Status of Landscapes of Eastern Georgia Caused by Anthropogenic Factors and Geoeological Processes. TSU, Collected papers of Vakhushthi Bagrationi Institute of Geography. Proceedings of the Conference Dedicated to the 100th Birthday Anniversary of Professor Levan Maruashvili. 2012, New Series # 4 (83), pp. 95 -101. ISBN 978 9952-8032-5-18
- Bondirev I., Gongadze S, Salukvadze E., Chaladze T., Golidjashvili R. The role of the Geophysical fields in disain to landscape (For example of Dedoplistcaro district, Georgia). Seismic Hazard and Seismic Risk Management in Caucasus. Proceedings of the IV Caucasus International school-seminar. Vladikavkas, 2011, October 24-26, pp. 9-14. ISBN 978 9952-8032-5-19
- Salukvadze E., Chaladze T. Transformation of landscapes and particularities of climate change (on the example of Shida Kartli). TSU publishing, Environment and Global Warming. - Bondyrev Iv.V. Seperteladze Z.Kh., Bondyrev Iv.I., Kvlividze Kh.G., Khechikashvili M.O., Revazishvili G.O., Chaladze T.T. Kizikurashvili N.A. Degradation of the natural ecosystems (Landscapes) in Georgia end its ecological consequences. Collected papers of The international electronic conference Natural and anthropogenic catastrophes, 2004, pp. 1-8
- Z. Seperteladze, I. Bondyrev, kh. Kvlividze, t. Chaladze. Transformation of Georgian landscapes through anthropogenic impact. Metsniereba, Geography and the present, 2003, pp. 116-124. ISBN 99940-735-3-2

Participations in conferences

- 5-6 November, 2019. Scientific conference Actual problems of Geography, Dedicated to Prof. Davit Ukleba's 100th anniversary. Natural Resourceful Potential of Imereti Landscapes. Tbilisi (Georgia). Ivane Javakhishvili Tbilisi State University, Vakhushti Bagrationi Institute of Geography
- 9-12 September, 2019. Internet scientific confer. Actual Problems of Landscape sciences, Environment Society, Politics. Anthropogenic Factors Contributing to the Ecological Condition of Landscapes in the Mining Zones of Imereti and Racha. Tbilisi (Georgia). Ivane Javakhishvili Tbilisi State University
- 14-17 May, 2018. Current landscape-ecological state and problems of optimization of the natural environment of the regions. Features of the ecological state of landscapes of Imereti. Voronezh (Russia). Voronezh State University, Lomonosov Moscow State University, Steppe Institute of the Russian Academy of Sciences, Institute Geography of the Academy of Sciences, Russian Foundation for Basic Research
- 27 June, 2017. Young Scientist Scientific Conference. Transformation of Alazani floodplain forest Landscapes. Present-day Condition and Peculiarities of its Development. Tbilisi (Georgia). Aleqsandre Javakhishvili Geographical Society of Georgia
- 22-25 October, 2015. International Confer. Modern Problems of Geography and Anthropology. Dedicated to the 140th Birthday Anniversary of Academician Alexandre Javakhishvili. Landscapes of Critical Ecoregions – Issues and Modern conditions. Salukvadze E., Chaladze T. Tbilisi (Georgia). Ivane Javakhishvili Tbilisi State University, Vakhushti Bagrationi Institute of Geography, Alexandre Javakhishvili Geographical Society of Georgia
- 17-18 September, 2015. Problems of Adaptation Geo- and Natural -adaptation of economic systems to global changes. The Impact of Natural and Anthropogenic factors to ecologic situation of Landscapes Mountain Regions of Georgia (in Russian). Baku (Azerbaijan). Azerbaijan National Academy of Sciences, Institute of Geography named after acad. H. A. Aliyev
- 4-6 November, 2011. International Conference Environment-Landscape- European Identity. Process of iridizations and peculiarities of landscape transformation in east part Georgia. Bucharest (Romania). Annual meeting of the Faculty of Geography, Bucharest University
- 2-5 June, 2010. The 2nd International Geography Symposium Geomed, 2010- Mediterranean Environment. (Salukvadze E., Mumladze D., Chaladze T., Lomidze H). Tbilisi's Climatic-Landscape Peculiarities and Their Dynamics. Kemer-Antalia (Turkey). Dokuz Eylul University, Izmir
- 22-29 September, 2008. Debris flows: Disasters, Risk, Forecast, Protection. Debris flow processes in the northern part of Shida Kartli region (Georgia). Pyatigorsk (Russia). Institute Sevkavgiptovodkhoz.

29-30 May, 2007. Mountain areas - ecological problems of cities. International youth scientific conference. Man-induced transformation a landscape to Lagodekhi region of Georgia and revealing a risk to slope of mild owe flows on the base of the analysis of satellite imaging and using GIS-technologies. Yerevan (Armenia). Center of ecological -Noosphere Studies of the National Academy Sciences of the Republic of Armenia
